Dear US JCI Senators:

It's that time of year where we really reflect on all we are thankful for. This year as your 2016 JCI USA National President has been an incredible experience. Some of the best experiences have been having the opportunity to meet many of you and hearing your stories about how your involvement with the Jaycees has made a profound impact on your life.

We need to bring this experience to more young men and women across the country. The Legacy Membership program has been rolled out all year and I am thankful to those who have signed up their son, daughter, or other loved one so that they, too, can experience everything our organization has to offer.

Fourth quarter close out is December 20th and we still have a lot of new members to recruit and we need to your partnership in doing so. Our local members and chapters are working hard and your involvement in the Legacy Membership program can only help us finish the year on as strong a note as possible. I have every executive committee member, including myself, calling all 2,100 members up for renewal this quarter to simply say "thank you" for their time and dedication to our organization.

Signing up a legacy member is simple. All you have to do is go to the following website: <https://www.jayceemember.com/join>

You will need to use the 'state' drop down menu to scroll to 'legacy' and then use the chapter drop down menu and select 'legacy'. Then, you can fill in the appropriate fields and submit payment by following the prompts.

Will you join me in helping JCI USA reach its goal of 750 legacy members before December 20th? It's still possible. Each and every legacy member who has been signed up has been reached out to and invited to participate in an initial introductory webinar. For those legacy members who are in an area without a chapter,

we have our virtual chapter up and running. The next meeting of the virtual chapter is being held on Tuesday, November 29th and the topic will be "The Divided States of America: As young, active citizens, what can we do to bring people together."

The stronger JCI USA is, the stronger the US JCI Senate can become. Help us finish the year strong by signing up a legacy member today. As National President, I commit to personally calling each legacy member signed up to welcome them to our fantastic organization.

Thanks for your continued partnership.

In Junior Chamber Spirit,

Laurence A. Bolotin, Senator #74447
2016 National President
JCI USA

Presidential Sweepstakes

If you haven't turned in the tickets that were mailed to you there is still time, and what better Christmas present can you give yourself besides the opportunity to win the grand prize of \$2,000.

For all those States holding Fall meetings, socials, and Regional events don't forget to include the Presidential Sweepstakes in your event. The \$5 drawing is an easy way to participate and provide a benefit to your members, just have everyone write their Senate/Friendship number on a \$5 bill and draw for winners. The current ticket special is 3 tickets for \$25. Just a reminder, this year we are not doing the \$5 tickets as was done in past years.

Let me know if you have any questions.

Hope everyone has a wonderful Thanksgiving.

Tim Kalvig #63828

Presidential Sweepstakes Chair, USJCI Senate
