Hey - Hey- Hey news from the Foundation!!!

We will be meeting in Houston Texas for our Winter Board Meeting. This is the time for our Brown Bag Auction. We we will have lots to pick from and some really good deals. We are also asking for donations and we would like baskets of items. Get with your friends, your peeps or some region members to create a basket to show your personality. Everyone also likes baskets from our states to showcase what we have in our areas. ☐

Use your imagination, be creative, I will take it all 😊!!

Look forward to seeing all of you in a few months.

Happy Holidays, fellow Senators! As the chilly weather descends upon most of us, your Future Directions committee has been hard at work developing an on-line survey so that we can collect your feedback and share the responses with you. We encourage you to take a few minutes and respond to the short, 8-question survey in the link below. Your comments, ideas and suggestions

are important to us and are a key component in planning for the future of the organization, so we need your feedback! President Jim has expressed his hope that as many of you as possible provide your input via this survey so that we have an organized method of reviewing the data and analyzing the results, so we hope to hear from YOU!!!

Please take the survey and let us know how this great organization can serve you in an even better capacity!

If you have any questions or comments, please feel free to contact me directly at kking02@verizon.net or by phone at 757-348-2732.

Thanks so much for your time.

HISTORICALLY SPEAKING.....

Well, we've made it through nearly half of our year. I hope this finds you enjoying the holiday season!

I trust everyone is saving those important papers from your states and regions. Those would make great Christmas presents for the archives. We soon will be able to do a little research to see what areas we are missing information. Anyone that has old Senate documents from years past is encouraged to send those items to me or bring them to the BOD in Houston in January.

I have been hearing from various Senators across the country, including: New York, Arkansas, Virginia, Texas, Oklahoma, Arizona, and Illinois. Keep the information coming. I hope to have some type of display at that next meeting in Houston.

Thanks for your help.
