Thank you to all who had Mentor ads in the December both holiday special wishes as well as sponsor sheets. The Mentors is one communication that you can be sure gets to all our senate members.

I want to encourage you to continue to pass around the sponsor sheets (\$2 per name) and consider buying an ad in the Mentors if you have a business or just want an announcement. These ads help pay the costs of getting the Mentors to you!

Please send the sponsor sheet/ad and check made out to the US JCI Senate and send to the Mentors business manager.

FIRST TIMER

First Timers- First Timers - First Timers

HAPPY NEW YEAR!!! It's here, it's here – it's almost here!!!! The First Timers Program at the Winter Board meeting in Houston, TX on **Friday, January 13th at 2:00pm in the Offshore Conference Room.**

The session will have LOTS of great surprises for participants; balloons, banners, special treats, learning material, meet and greet opportunities and a chance to be part of a positive exhilarating experience! The session will be interactive, informative and no less than thrilling! Just remember your first time and that wonderful opportunity to have 'FUN' at your first National Senate meeting. *Also, as with the Fall Board meeting, a small token of appreciation will be given to those Senators who escort a first-timer to the session (participant must fully participate in the program.)* Also, remember – participation in the session is only open to Freshman Senators or First Time Convention attendees. I will be contacting the National Vice Presidents to help in identifying possible attendees – can't wait to meet everyone!

Looking forward to seeing everyone and some fantastic First-Timers!

LAST CALL!!!

Happy New Year Senators! As you are winding down from a busy holiday season and ringing in a new 2017, why not take a few minutes (if you haven't already) to complete the survey developed by your Future Directions committee?! With your input, we can provide valuable feedback to the Senate executive committee as they shape the future of our organization.

We will be closing the survey on January 5th so that we can provide the results in Houston, so please take a moment to participate in the survey if you haven't done so (link below).

Thank you for your time and as always, please reach out to me or any member of the Future Directions committee if you have any questions.

Thought of the Day: Who would have ever heard of Theodore Roosevelt outside of his immediate community if he had only half committed himself to what he had undertaken, if he had brought only a part of himself to his task? The great secret of his career has been that he has flung his whole life, not a part of it, with all the determination and energy and power he could muster, into everything he has undertaken. No dillydallying, no faint-hearted efforts, no lukewarm purpose for him!

- Orison Sweet Marden

History of the Day:

1902 The first Tournament of Roses collegiate football game was played in Pasadena, CA.

1934 Alcatraz Island officially became a Federal Prison.
