Tonight, I send this report from South Bend, IN., home of Notre Dame University! Back in the 1970s, a man already 5 to 6 years out of high school attended tryouts for the football team and made it by the name of Daniel Ruettiger (better known as "Rudy"), a guy really no

bigger than me 😊. There was a movie made about him that is such an inspiration and his story stands for perseverance and resiliency! James 1:2-4 advises believers to consider trials as joy, as they test their faith and produce perseverance.

Have a great week!
